NURSING TEAM

CERTIFIED MEDICAL ASSISTANT

About Us

Inspired Health Group (IHG) is a true family practice serving patients of all ages from across Western New York. Founded and operated by the Erickson family, IHG offers innovative body, mind and spirit healthcare services with a personalized approach that increases a patient's awareness and involvement in their own health and wellbeing. IHG's board-certified physicians, highly trained nurse practitioners, physician assistants, registered nurses, registered dietitian nutritionists, and patient services team set IHG apart with their professionalism and compassion, providing full and complete individualized care to patients.

What do we offer?

TRUSTED EXPERIENCE

Since IHG opened its doors in 2001, it has become a trusted source of care. With over 500 5-star Google reviews along with awards, such as being recognized as a Patient Centered Medical Home (PCMH) by NCQA IHG has led the way in innovation of care.

BODY, MIND & SPIRIT CARE

With a focus on body, mind and spirit healthcare services, IHG offers a diverse range of care options. From state of the art cancer testing, to our partnership with *Endeavor Health Services* to offer behavioral health services on the second floor of our building, you will learn from a care model that focuses on both health and wellness of each patient.

DIRECT ACCESS TO PROVIDERS

We are a close-knit, collaborative team with less than 50 team members in our office. You'll learn directly from leadership, providers, and nursing & patient services team members throughout your internship.

Additional responsibilities

- Administering medications and treatments, then monitoring patients for side effects and reactions
- Creating, implementing, and evaluating patient care plans with the medical team
- Performing wound care, such as cleaning and bandaging them
- Assisting in medical procedures as needed
- Operating and monitoring medical equipment
- Drawing blood, urine samples, and other body fluids for lab work
- Perform EKG's, spirometry's, and biometric testing

4.9 rating from 565 reviews
